

Talent Search Services

Where people come to find their next Super Star!

At HRguru[®], we do HR and only HR, so as to provide you with the **best talent search** in Singapore to fit your HR needs perfectly. Our singular focus gives us a deeper understanding of HR requirements at all organizational levels and across industries, and our vast network of **HR professionals** provides access to the best in the field, from mid-level managers to Chief HR Officers and HR Vice Presidents.

Our competitive advantage

We have an exceptional reputation in the space of executive recruitment of HR professionals. Our pool of in-demand HR professionals* are just waiting for the right opportunity. You won't find their profiles on career sites or job boards because they only work with us to match them with opportunities that fit their unique requirements and interests. Our relationship with these professionals allows us to consistently deliver top-notch HR candidates, exceeding our clients' expectations and giving them a competitive advantage.

* Placement fees from only 18% of per annum gross salary
